As the magical hour of 1000 hours on Saturday, June 6th, approaches, we all begin to look back with fond memories on our years at AFA. It has been climaxed by this, our Senior year, and the 1975 Trident has tried to represent "our" year in such a way that it will be forever remembered. The excitement of a formal dance, the pride of marching in a parade, and the concern of day to day affairs are just some of the feelings and experiences which we have tried to express in pictures and words.

Now, as the Senior Class "casts off its lines and puts to sea," we leave the burden of responsibility squarely on the shoulders of the Underclassmen. It is up to you and you alone to accept the challenge of leadership; to set the example, to make right and just decisions, and, most importantly, to exercise moral courage in situations where it would be just as easy to turn your back on the problem. You must uphold the proud traditions which have been a part of this institution for 42 years. Farragut has produced many fine leaders, so strive to be one of the best.

In closing, I would like to extend sincere and heartfelt thanks to my staff, who have worked diligently to make the '75 Trident a reality, to the faculty, staff, and cadets for their support, and, finally, to CDR Wm. Masciangelo and Mr. David Elms, who have provided experience and have contributed immeasurably to the success of this year's edition.

As a final note, I would like to leave a little bit of advice to the Underclassmen, advice which has been a part of the proud Navy tradition since the Navy's conception in 1775. The words are simply, "Don't give up the ship!"

Dedication

DAVID W. McFADDEN, JR.

It has come to the attention of the Class of 1975 that a certain staff member has gone beyond the requirements of his basic duties, for the sole purpose of helping and instructing the Cadets of Admiral Farragut Academy to become more mature and responsible men. Sacrificing much of his free time to be at the Academy, this dedicated gentleman has become a friend to all Cadets in the few short years he has worked here. It is for these reasons, and many more, that the Class of 1975 dedicates the 42nd annual edition of the Trident to Chief Aircontrolman David W. McFadden, Jr.

Chief McFadden came to Farragut in 1970 after serving some 28 years in the U. S. Navy. World War II found 19 year old McFadden piloting assault boats in the South Pacific. Later, as an Air Controlman, he served aboard various aircraft carriers as the Navy pushed closer to the Japanese homeland. After the war he served on many ships and shore installations until he retired from active

duty at NAS Lakehurst in 1963.

Since his arrival at Farragut, Chief McFadden has been a great influence in the lives of all Cadets. It seems that whenever there is a space to be filled or a job to be done, "Chief" is there to do it. When Chief Hozack retired from AFA, Chief McFadden moved up from the Boathouse to fill the vacancy. When Joe Rocco, the tailor, became incapacitated to hold his post, Chief McFadden stepped in and took over. In addition, he is an advisor to the Booster Club, a Naval Science waterfront instructor, the Drill Team officer-in-charge, and the First Co. tactical officer.

Chief McFadden's devotion to God, his country, his family, and this School has served as an inspiration to all who have known him. In essence, he is the kind of man who would give you the shirt off his back. We, the Class of '75, salute you, Chief. May your flag fly ever higher. Carry on!

Headmaster's Message

TO THE CLASS OF 1975:

As has been done for many years, you have permitted the Headmaster once again to take up a page of your yearbook for his farewell remarks to the graduating class. Fearing that this privilege has become a mere formality and that the annual message really makes little impact, I sit at my desk on a rainy March afternoon seriously concerned with the effectiveness of this written word. How I wish that I, in writing this year's message, could be so powerfully creative that the result would be a fulfillment of Victor Hugo's thought that "Greater than the tread of mighty armies is an idea whose time has come!"

Two hundred years ago at this time "an idea whose time (had) come", painfully springing out of the spirit and the mind of the restless generation of that period, spread like wildfire throughout the colonies. It indeed was "greater than the tread of mighty armies", and the historical result after much personal sacrifice and struggle was the great United States of America. That "idea", which combined the best concepts of brotherhood, human dignity, individual opportunity, basic trust in the common people, and religious faith, formed into a government which has never been surpassed in terms of promise for human fulfillment.

This idea called America faces challenge periodically. Its defense in the past has been successful. But your generation is called to respond to a new challenge which centers around the question of character. Is it possible that as a people today we are no longer worthy of the American dream? For to make that dream work, that "idea" growing out of the common good, colonial spirit, requires people who are committed to personal sacrifice for the common good, dedicated to the principles of decency, honesty, and equal opportunity, and convinced that logic and will shall prevail over prejudice and emotionalism. The response to the current challenge lies in the grass roots of America where the people sleep and work and play and live together. It is there that we prove ourselves a people worthy of the dream. And it is there where America's people are educated and American character is developed!

As you leave Farragut, Class of '75, may you prove to be young men who can support the American dream because you yourselves are worthy of that dream. America will not survive in any other way because it is you who must be possessed by an idea "greater than the tread of mighty armies." Your teachers and others of us who remain behind at Farragut hope that we have done all we could to help you develop the grass roots defense needed to perpetuate our beloved America.

Water Under The Bridge

The time has finally arrived. This is our senior year. It is the year to which all of us have aspired. It is difficult, though, to believe how fast time passes until graduation is so close that it becomes a reality. Many times in our future lives we, the Class of '75, will reminisce about this year and reflect upon our experiences at Farragut. Many of us will laugh about hilarious episodes of intrigue, but we will also remember the fine education that we received to start us on our various roads into life.

It all started in September of 1971, in a battalion commanded by Blaise Horgas. Running everywhere, screaming "Beat Hun!," bracing, sounding off, squaring meals, and memorizing the rotation were among a few of the demands made of us during the infamous plebing period. Most of us spent the first few weeks in utter disbelief about what we were experiencing. When we became Recognized Cadets, the tempo relaxed a little, but Thanksgiving leave was a very welcome sight. When school resumed, time seemed not to drag as much, for we were becoming accustomed to our new environs. This nightmare turned out to be a high school after all. Mid-year exams approached and a few of us even studied for them. As the year crept to an end, we became engrossed in the intense competition for Honor Company. Then, final exams, our biggest obstacle, had come and gone and we joyously accepted the freedom of summer.

1972

The following year we returned with the prestigious title of "Old Boys." Some of us had even obtained a P.O. rate. CDR Romefelt's definition of sophomores is "foolish wisdom." Our Class certainly lived up to its name that year. We gave LCDR Kelly all he could handle, but his patience and indefatigability never wavered. We grew to love and admire him, but, unfortunately, we were the last class he would instruct before his untimely death. Art Musicaro was the "Batt" Commander that year. We observed and learned how the Battalion was operated under him, for we knew we would have jobs of responsibility the next year. Graduation came and we were free again, but thoughts of our junior year lingered in our minds.

1973

Our junior year represented a rather large change in most of our lives. Many of us achieved rates, and a few of us attained officership. We were converting from being just the followers to also being the

leaders. This transition was not an easy one to make. We had to devote much of a previous free time to our new responsibilities. This necessitated many changes in our demeanor. The Battalion Commander, Carl Gustenhoven, among the other members of the J.C.S., watched our development throughout the year. Our actions would very much be reflected in the following year; therefore, our attitudes were earnest and motivated.

Another factor that inspired us was the comprehension that college was becoming an ominous reality. Promptness, such as the PSAT'S and the college boards, would not allow us to ignore the eventual anxiety coupled with the ultimate acceptances and rejections received. This did not stop us from ending our junior year in high style, though, for we united against the Seniors on Field Day and completely overwhelmed them in every event.

1974

Upon returning to school in September, we were not surprised to find Mark Buzby our Battalion Commander. Consequently, we knew we would have a great year. We progressed through the football season and were thrilled to see Dave Lipsky's spectacular play in the middle, and were astounded by observing "Hands" Wyrick even catch a few passes. As winter approached, SAT'S plagued us again. We sent many college applications, and, it gave us a sense of helplessness knowing that all that could be done was done and all we could do was to wait. Even though colleges weighed heavily on our minds, many other events occurred to hold our spirits high. For the first time in the Academy's history Seniors and Juniors were allowed room study during the afternoon periods. Civilian clothing for liberty was another new privilege permitted Seniors. The Third Co. became Honor Co. by mid-semester for the first time since 1966, our entire Class became infatuated with Sequoia trees, and Gee, Scarne, Schneider, and Tice made it all the way from 7th grade to their senior year. Perhaps one of the highlights of the year was a cruise aboard the USS MOUNT WHITNEY from Phila. to Norfolk. It will never be forgotten, especially by Bucci, Buzby, McFadden, Retterer, and Theurer, who did not seem to agree with the waves or vice versa.

You know . . . it was a great year. Why did it have to end? Maybe it never did.

Class Prophecy

It would be wonderful, of course, if we could predict what will happen to all of us who are members of the Class of '75. But, of course, we can't. We have, however, taken tongue in cheek and made a few predictions for which we can't possibly be held responsible, and which, you will agree, provide us all with a chuckle as we look forward to the tremendous number of possibilities that hold forth for all of us.

'75 Class Will

The Cadets whose names are listed below, comprise the great Class of 1975, and, foreseeing the future welfare of the Academy and the Cadets who will comprise those Corps that are yet to come, attest to this last will and testament in the following manner:

BOUSTANY—I leave Jim Norton the Family Hat, my ability to play centerfield to Mike Williams, and to Roger Gibson, I leave my temper to do whatever he pleases with it.

BROADWAY—To Wrightson, I leave my ability to stand great C.O.O.W. watches, to Pittman I leave one more year at AFA taking daily room grades in the hopes he will learn to write.

BUCCI—To George Smolski I leave my charm with the ladies, hoping that it comes in handy at all future dances; and to Oblensky my PO bars, wear them well.

BUZBY—I leave my patience and leadership abilities to the next B.C.; my seamanship abilities to the ablest seaman; and a bit of advice to all Cadets I leave behind—don't give up the ship!

CAPPS—I hereby bequeath to Rudolph Intelisano the characteristic of having study qualities in hopes that they will not be used wrongly.

DIAZ—Leaves his taste for "Don Q Gold" to the Naval Science Staff, his Spanish accent to anybody smart enough to handle it, and the command of the Puerto Rican Navy and a pair of old boxing gloves to Admiral Pete Segarra.

ENSTICE—I leave to Miles my fantastic ability in football so Coach will not talk to him, and to Dyas I leave the gang in hopes he will run it better than I did.

FLORANCE—I leave a roll of dimes to Jim Rinaldi for phone calls, my long lab talents to John Ney, and a lifetime subscription to the Daily Observer to Ray O.J. See.

FOOKS—I will my wrestling ability to Michael Fried, and musical talents to Rich Byrnes.

GEE—I leave my car-racing ability to Curt Fischer in hopes that he may blow the doors off of any car that dares pull up along side of him. And to Keith Whitehead I leave my "out of sight Nova" in hopes that he does not put it in "R" for race, but has the sense to use the other four gears!

HARRIS—Is just leaving!

KECZKEMETHY—I leave my motorcycle to Cadet Hood, but he'll have to supply his own training wheels.

KENNEDY—I leave to Jim Westphalen my scuba diving ability in hopes that he may have as much fun diving as I did, and the ability to

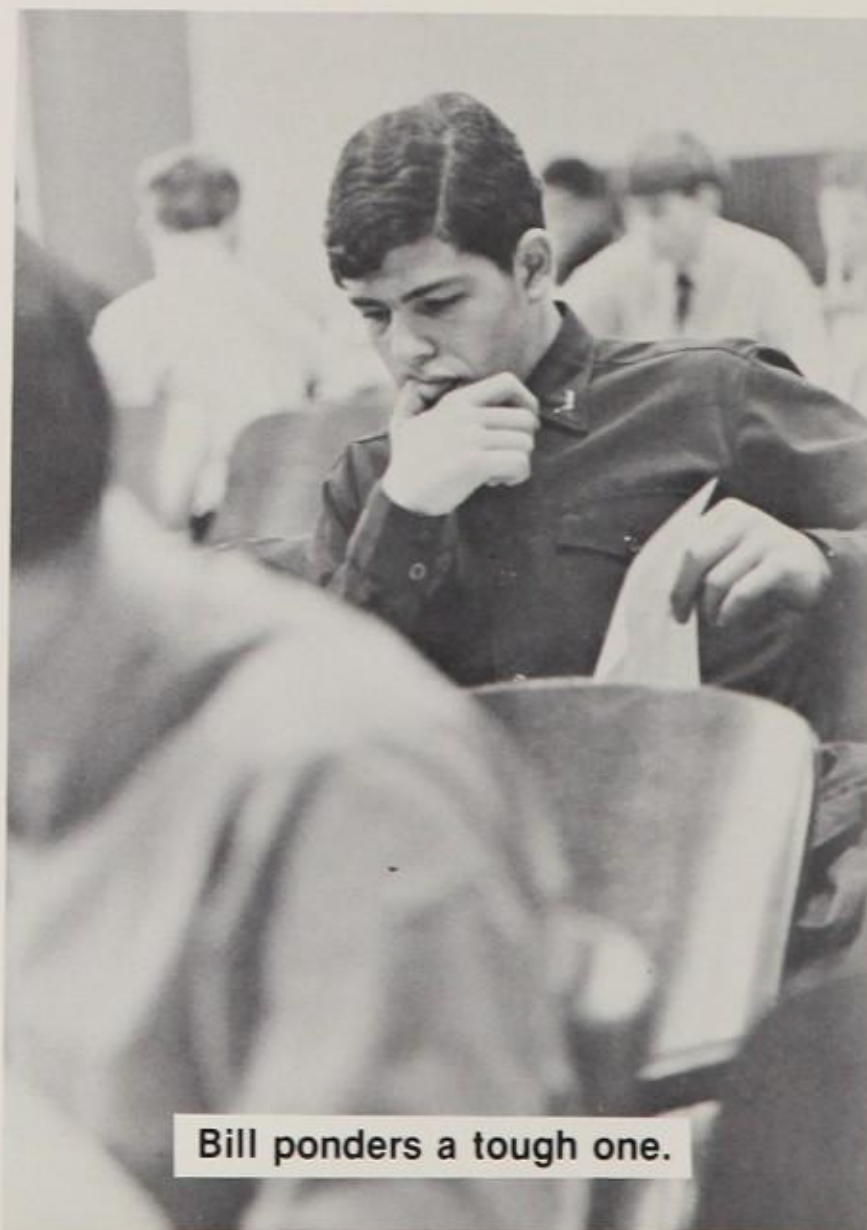

put up with English 4 to anyone crazy enough to try.

LAMAS—To Cadet Updike I leave the laundry range, and to Cadet Intelisano the title of "Flex".

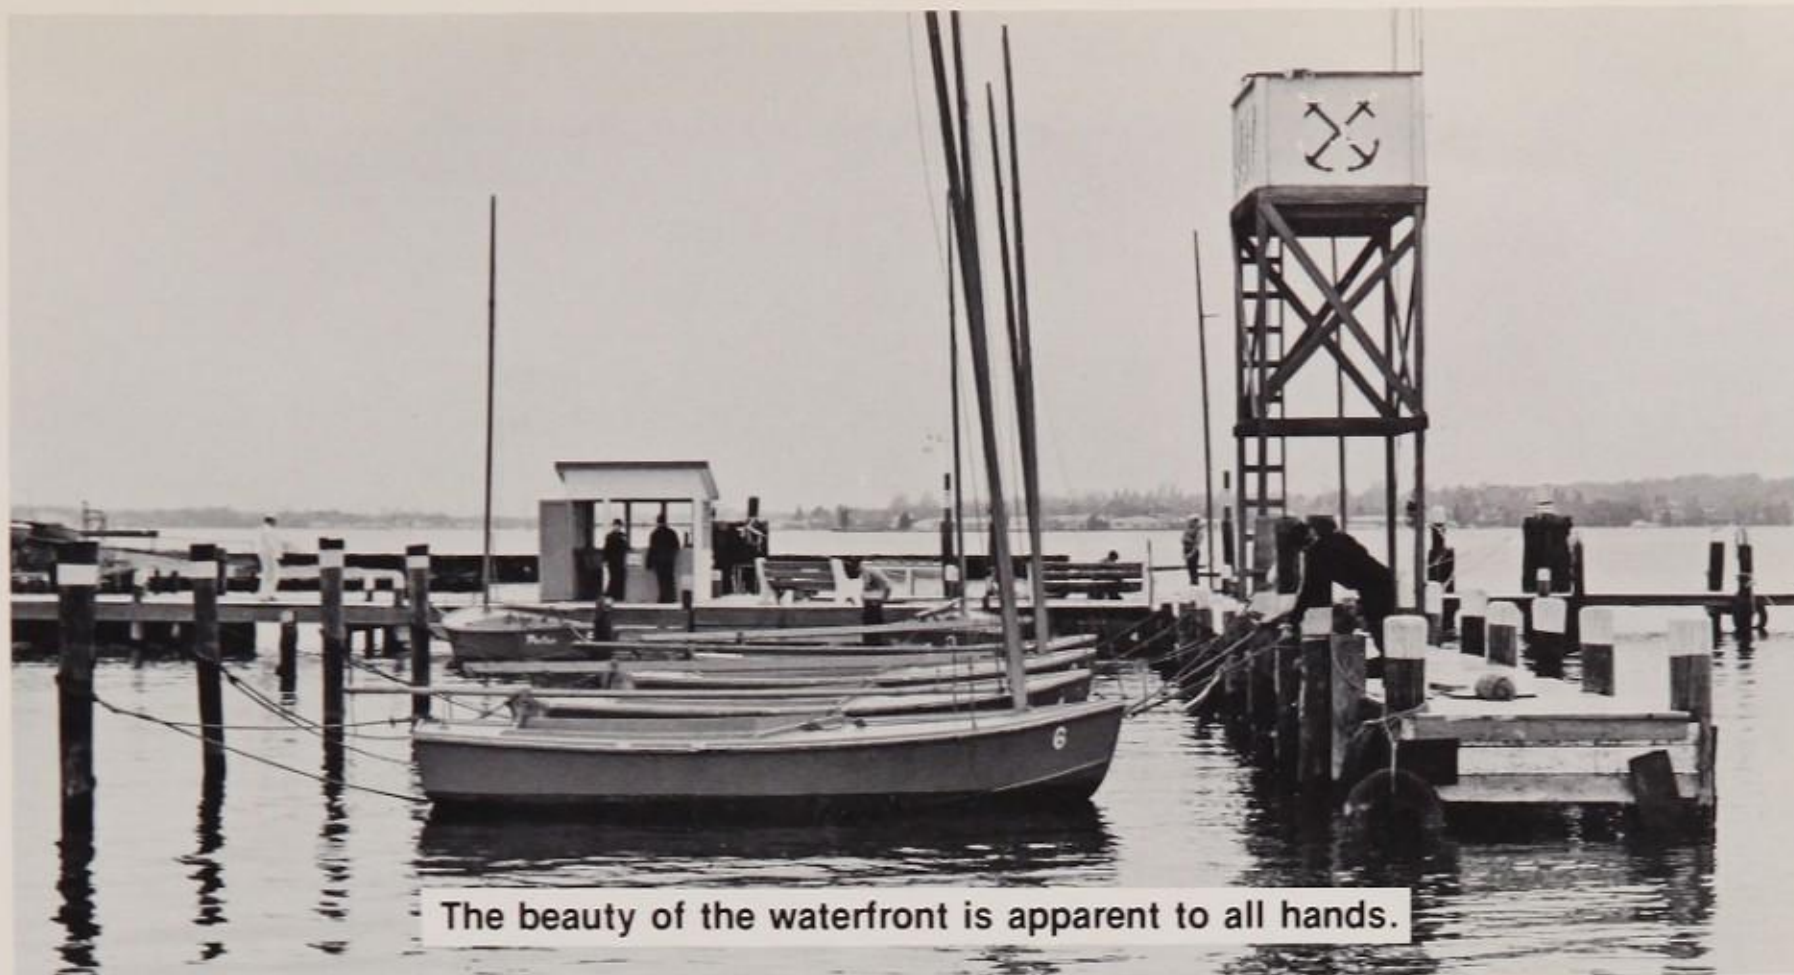

LI—I leave to Doug Fisher good luck and hope as he continues his career as hospital corpsman with his inability to wrap bandages on a person's cut, and to C. Johnson, good luck and hope in his attempt to replace Doug Fisher.

LIPSKY—To P. J. Segarra two bottles of Don Q every November 30th, and to K. Crowe the blue prints to one day build a chain of Blarney-shaloms around N.Y.C.

McFADDEN—I wish to leave the rest of the dances to 3 PO Taylor so he may bring his band to play. Also, I wish to leave my talents to play the cymbals to whomever it may concern. Last, but not least, I would like to leave the rest of my cigarettes that I do not smoke to Fischer, B. and Siegel.

Bill ponders a tough one.

The beauty of the waterfront is apparent to all hands.

MEOLA—To Arturo Sighinolfi I leave my fantastic Italian looks and salubrious muscles, and to Commander V. Romefelt I leave my unused stem sheets.

MINGAY—I leave my musical interest to Cadet Crouzet in hope that he will soon learn how to play clarinet as well as I did. I leave my many years of females to Lucian Pravati in hope that he will become as successful (?) as I was.

NADLER—I leave my unique skill of sea lawyering and fast talking to Danny Hood, so some day he might have the ability to get out of extra duty. I leave Captain Klein the book I used all year long to pull the wool over his eyes—"One Thousand and One Ways to Skip School and Get Away With It."

OLSEN—I leave a book on how to coach football to Coach Slaby. To Mr. Romefelt, the only aloof pedagogue who has educated our listless, lethargic minds to become verbose aficionados of etymology, I leave my English ability.

OPTHOF—I bequeath my well-earned golden key to A.F.A. Naval Science Office to Glenn Susczynski in the hopes that he eventually acquires the mental ability to find the door, let alone the lock. My untarnished 2 P.O. bars to Bill Sarafin, to make up for the ones he never had. I leave my ability to compute the Naval Science points to the next lucky yeoman who gets snagged for the job.

REITMEYER—For Rudy Intelisano I leave the ability to get in and stay at the Osprey, and my little John Trimiglozzi to clean his room. To all extra duty units I leave my cliffs of A.F.A. To everyone entering A.F.A., I leave all my good times.

RETTERRER—Is just heading back to Tennessee.

RIORDAN—I leave my ability to put up with Coach Slaby to Roger Gibson, my ability to pick up girls at Beauty Pageants to Tim McEvoy, My Mathematic ability to Mike Williams, and my innocent looks to Tim McEvoy.

ROGERS—I leave my Tennesseeian accent to Kevin Miles for lack of Southern ingenuity, and my exceptional Southern hospitality to anyone who feels they may need it—especially Bill Sarafin.

SAUER—I leave my ability to shoot to Lucian Pravati, my position of the capacity of Chairman of the "Midnight Marauders" to Kevin Miles, and the ability to be in the wrong place at the right time to Westphalen.

SCARNE—To Jim Westphalen I give my book of how to be a Sea Lawyer in 5 easy lessons and my five volume collection of hunting and skinning tropical game, to Tom King I leave 6 years of heritage to follow.

SCHNEIDER—To Rekow I leave infinite B. S.

THEURER—I leave my baseball bat to Cadet Fisher, my catcher, in order to replace that cigarette.

THUL—I leave Rinaldi my will not to use the telephone so much. I leave my skill of locks to any worthy cadet who could possibly master it.

TICE—I leave to Jim and Lucian, Jill, with hopes that they might one day figure out who's taking her to the next dance.

WYRICK—The eternal band couch which has passed from Art Musicaro to Forrest Wallace to myself, goes to Keith Whitehead, my ability to keep a football uniform clean to Thomson, and my pass catching ability to Newmeyer.

OCEANOLOGY

Eight seniors sought credit in the second year of Oceanology, helping to establish this new science discipline as a permanent offering here at the Academy. Under the watchful eye of Mr. Richard Frick, instructor, students met five periods weekly in the classroom, plus three additional periods of practical lab experience on the Toms River. The course attracted various media to the Academy, resulting in stories done by the Asbury Park Press and the Daily Observer. New Jersey Public Television and Channel 8, local cable TV, also covered the activities of the class, as featured news segments.

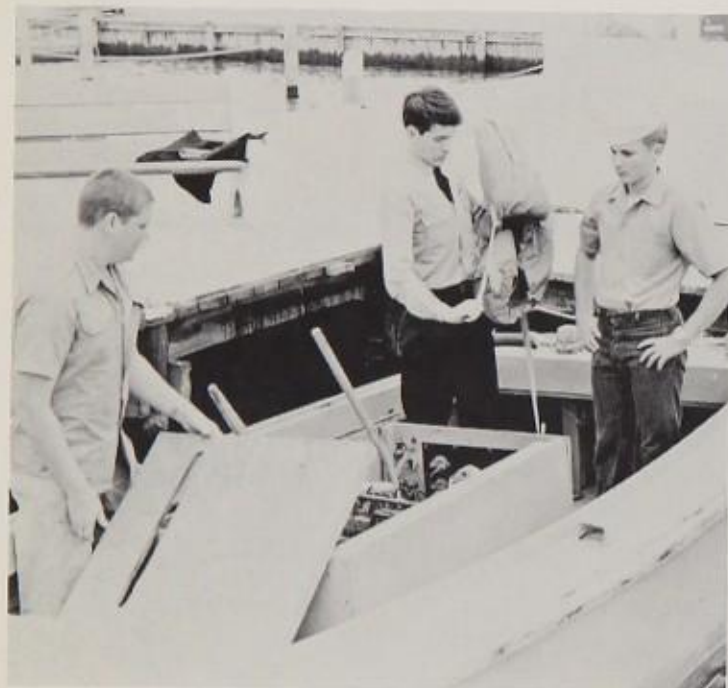

The start of a new life.

Plenty of classroom time.

Learning basic boating.

1st Row (L to R) — Gibson, Rinaldi, Centurioni, C. Fischer, Pfeifle, Norton, M. Williams, Nami. Second Row — M. Harris, Capps, Wyrick, Enstice, Theurer (Co-Capt.), Lipsky (Co-Capt.), Reitmeyer, Rogers, Segarra, Francis. Third Row — Coach R. Trimble, Coach F. Gartlan, Cox, Lyman, Martin, Owens, Keppler, Maimone, Sarafin, Zacierka, Coach M. Fanghella, Coach S. Slaby. Fourth Row — Tharpe, Vail, Wagner, Balacco, Munson, Newmeyer, Miles, Powell.

Inexperience, size, and inability to move the ball on offense, were some of the hindering factors to the '74 team. The addition of two coaches, Rick Trimble and Frank Gartland, added many new ideas and routines to this year's squad. From the previous season was Mike Fanghella, back coach, and, head coach Stan Slaby.

Returning two weeks earlier for Camp, all players reported to Robison Hall for a grueling period of double sessions.

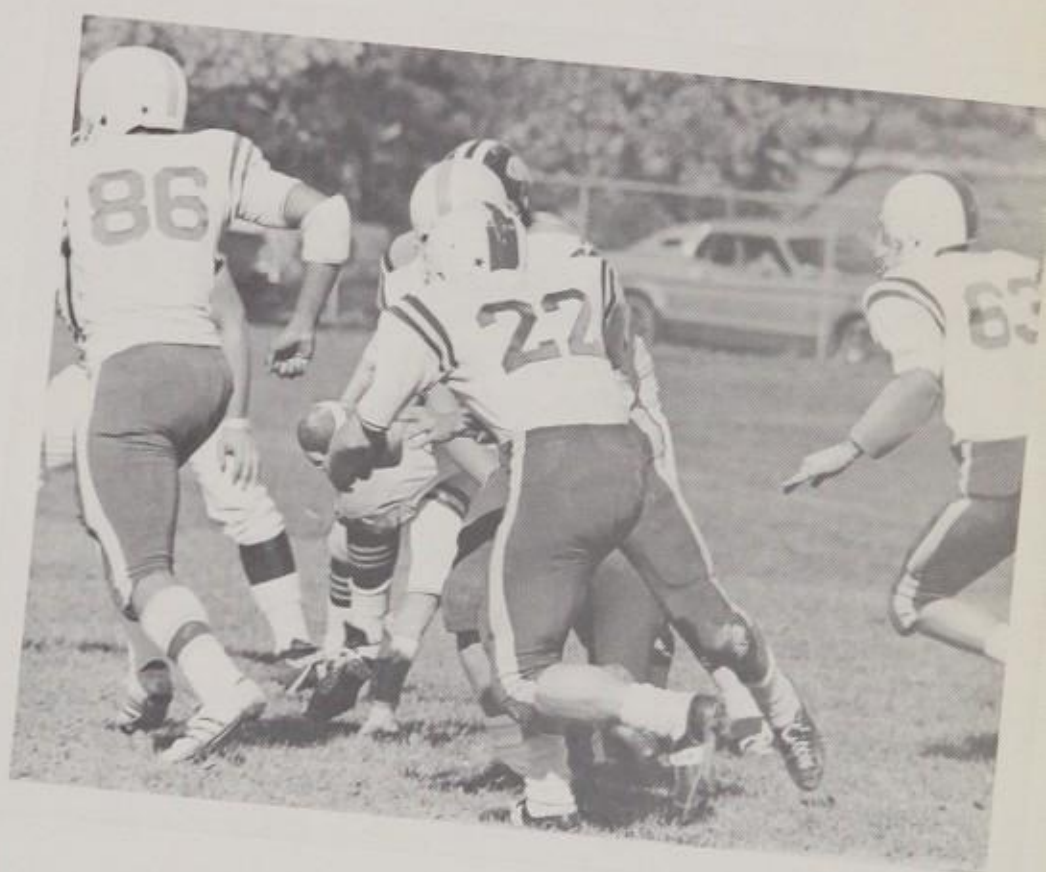

September 28th found the squad battling it out on the home front against Blair. In the first half the Middies, after sustaining a 50-yard drive, fumbled to the visitors. Led by co-captains Harry Theurer and Dave Lipsky, the Big Blue fought a tough battle but experienced a 36-0 defeat.

Farragut next met Delbarton, where AFA suffered a second loss, 47-0. However, when the third Saturday rolled around, the Middies seemed healthy and prepared to take on Montclair. This game made a few impressions on some faces that Farragut was never out of the game for a single moment, even though the scoreboard totalled 20-0, Montclair.

Farragut's first score of the season came from Bill Sarafin in the Valley Forge game when he plunged in from the 2-yard line after an 83-yard kickoff return by Theurer, leaving the score at 14-6. However, Farragut emerged once again without a victory, losing 55-6. Brian Gray tallied the second TD against Pingry (45-6), then dropped a 59-0 game to Newark, after which Pete Segarra and Theurer scored in the final tilt against Hun, losing 43-12.

Graduating seniors were Lipsky, Theurer, Enstice, Rogers, Wyrick, Capps, Reitmeyer, and Olsen. Returning lettermen will be Fischer, Nami, Sarafin, Norton, Pfeifle, Powell, Segarra, Williams, Martin, Gray, Owens, Campanelli, Francis, Cox, Miles, Ogden, Lyman, Thompson, Newmeyer, Hawk, and Tharpe.

Special recognition was given to: Dave Lipsky, most valuable lineman, Harry Theurer, most valuable back, and Bill Sarafin, Coach's award at the football dinner. Pete Segarra also was given a plaque for best individual game performance.

First Row (L to R) — Harris, Tice, Nadler, Martin, Powell. Second Row — Coach Fanghella, McEvoy, Interlante, Olsen, Munson, See (Mgr.).

The 1974-75 varsity basketball season ended with the Middies posting a 2-17 record. Coach Mike Fanghella tutored the hoopsters, and he was assisted by Brad Hughes.

Captain Dave Nadler led the scoring with an average of 15.7 points per game, followed by Mike Harris and Kevin Powell, with averages of 10 points per contest. Five of the remaining seven men averaged 5 points or better with their efforts.

The Middies earned two wins which were brought about by hard work and determination. In the game against Delbarton, Farragut's tenacious defense helped it to win by the score of 54-47, and the Middies then went on to beat Croydon Hall 77-51.

The Sailors' record doesn't really show how much potential they had, but when you consider that eight of the games lost were by eight or less points then it's easy to see how much they had.

Three seniors will leave this year, but five juniors and one sophomore will return to bring Farragut basketball back to where it was in recent years. Returning lettermen will be juniors Mike Harris, Kevin Powell, and Joe Dyas, plus starting sophomore, Dave Interlante. Off the bench with very high hopes for the future are juniors Tim McEvoy and Art Munson.

No doubt Coach Fanghella is looking forward to next year's court season and the hope that Middie basketball will prove to be top competition once again.

Varsity Basketball

Starters Mike, Paul, Dave, Kevin, Dennis.

This year's Junior Varsity basketball season finished with a disappointing 0-10 record. Coached by Mr. Richard Frick, the team showed potential, however, before the season came to an end.

The jayvees were inexperienced, as most of them were freshmen and sophomores with a few juniors. We hope that next year, with more experience, the junior club will improve and help bring Farragut basketball to its peak.

Returning lettermen in '76 will be: Tony Johnson, Mike Newmeyer, Jim Norton, Bill Sarafin, Mike Nami, Jim Westphalen, Art Mumma, Brian Gray, Kevin Blair, Juan Schaeffer, Tom Berg, Rick Creange, Tom Chan, and Roger Gibson.

Varsity Rifle

The AFA varsity rifle team has concluded its season undefeated in 11 regularly scheduled matches. This brings the record up to 29 straight victories without any defeats since 1972. Chief Darwin O. Larson, coach, continues to produce winning teams for the past seven years he has taught at the Academy.

Captain Bob Sauer, who has proved over the years to be one of Farragut's greatest marksmen, did it again this season, shooting a 279 to break his old school record of 278. The team consisted of one senior and 8 underclassmen. Bob will be leaving this year, but he leaves behind him a trend of fine marksmen, who are: Lucian Pravati, Keith Whitehead, Clark Pittman, Dave Vansant, Larry Smith, Dan Hood, Jack Menges, and Hugh Feeney.

The team was invited to many sectional matches, also. Among them, the team won both NRA Sectional at Wallingford, Conn., and at Langhorne, Pa. Sauer took first place in Conn. with a 549 out of 600, and the team made a sweep of 15 of 16 awards in March, after taking the top three honors in as many categories in Feb.

First Row (L to R) — Cox, M. Williams, McEwen. Second Row — Whitehead, Spada, Fennell, Williams, Hughes, Trubee, Lamas, Philpot, Clegg, Ogden. Third Row — King, David Meissner, M. Berg, Lyman, G. Smolski, S. Smolski, Guiliano, T. Miller, Hovind. Fourth Row — Charron, Fooks, Quisnel, Retterer, Rowe, C. Johnson, Owens, Theurer, Mingay.

Varsity Wrestling

The varsity wrestling season proved to be a bit disappointing to the Farragut grapplers as they posted a record of 1-12. Coaching duties were handled by Mr. Joseph Pulley and Mr. John Hebden.

The Middies were a relatively young team, comprised of only two seniors, Dick Clegg and Lorenzo Lamas, with the rest of the starting club made up of six freshmen, three sophomores, and two juniors.

High point scorers were Bob Cox (178), Glenn Whitehead (101), and Ed Philpot, each with six. Freshman Chris Spada and junior, captain Mike Williams, were the only matmen to be pinned once during the season.

Farragut was invited to the States, where Williams was seeded third, at 135, but because in his first bout he re-broke his ribs, he finished 5th. Also to place was junior John Ogden, who earned a 6th.

The team, with a little more experience, could become a top contender once again. Some individual records were Captain Williams' 5-4, Cox at 5-5, Philpot with 6-7, and Whitehead with 6-7.

Coaches Pulley and Hebden flank Captain Mike Williams.

er-pitching form.

The 1975 baseball team, coached by CDR Stan Slaby and Mr. Mike Fanghella, with a record of 4-4 in its first eight outings, has a chance to come through with a winning season. Co-captains are Mike Riordan and Gene Enstice.

Returning senior lettermen are John Boustany, centerfield, Mike Riordan, 3rd base, Gene Enstice, pitcher and second base, and Don Kennedy, second base. The team has also been aided by Harry Theurer, who is the main pitcher for the Middies. Harry, who already has 90 strikeouts, with an average of 10 per game, also plays first base.

The team's top performers are Theurer, Boustany, Roger Gibson, Riordan, Mike Williams, Brian Fischer, and Tom Martin. Also, sophomore Bob Cox, a first year outfielder, is doing tremendously well and will be tough in the years to come.

Other members who look to be very promising in the future are Joe Wendroff, Ron Olinger, Artmunson, Curt Fischer, Bill Sarafin, and Kevin Blair. The record to date: Won—George School 3-2, Croydon Hall 7-0, Hun School 10-1, Blair 5-1; Lost—Peddie 1-5, Lawrenceville 3-6, Newark 1-5, Central H.S. 3-9.

Although this year's varsity track team's record was not outstanding, it was able to hold its own against more powerful clubs that they met. The most outstanding member of the Thinclads was, by far, Bob Schneider. Other leading members were Dave Lipsky and Lorenzo Lamas. All three seniors hold the team's record in their respective events.

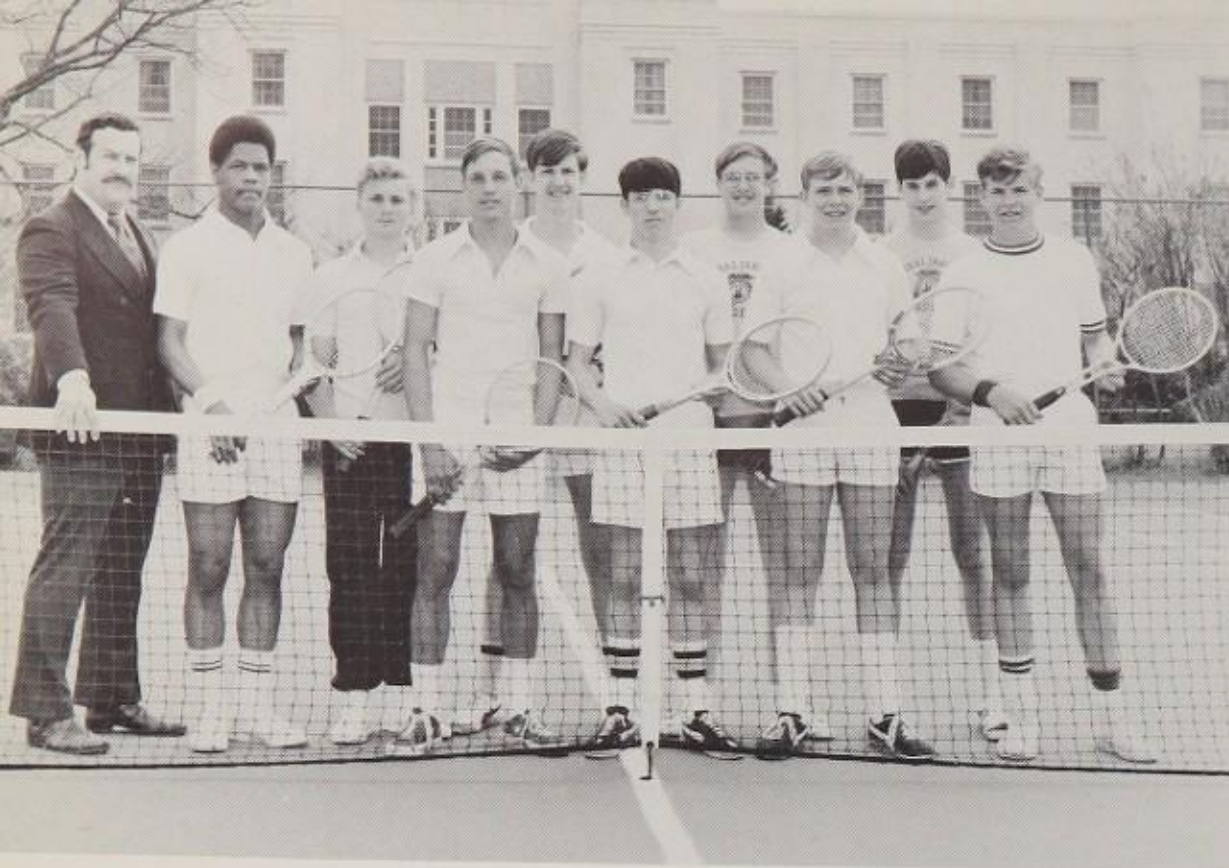

A few surprises in the season came from Joe Dyas and Tony Johnson. Joe holds the team's record for both the high and long jumps, and Tony met the record for the hundred yard dash along with veteran Bob Pfeifle.

Other leading men on the team were Neil Jones, who broke five minutes in the mile, Jim Norton, Larry Thul, and Gordon Curran, who threw the javelin 143 feet. This year's team was coached by Mr. Bernard Bialecki and Mr. Edward McMahon. The whole team showed its appreciation for what these two men did to guide them, by putting forth a maximum effort. All of the other men not mentioned in this article are thanked for their co-operation in producing a good team.

Varsity Tennis

The Academy added varsity tennis to its schedule this year, with the team coached by Mr. Bernard Revoir. Keith Whitehead, a junior is in the No. 1 spot and is carrying a heavy load in his experienced hands. The No. 2 spot is held by George Banning followed by Juan Crespo. The two doubles teams consist of Jim Wrightson and Art Sighinolfi, and Jim Westphalen and Keith Sailer. Other members of the squad consist of Dave Owens and Charles Desjardins. The netters are hopeful of an outstanding combination for next year with the return of some of the squad's members.

(L to R) — Mr. Revoir (Coach), Owens, Crespo, Banning, Wrightson, Whitehead, K. Sighinolfi, Westphalen, Desjardins, Sailer.

Jr. School Soccer

With a record of 0-2-1 to its credit as the Trident went to press, the '75 Jr. School soccer team has shown remarkable talent despite its inexperience. Playing in a local area league for boys 16 and younger, 14-year old Tom Berg is Farragut's oldest member. Other squad members include K. Shanahan, A. Storino, D. Donahue, J. Wood, D. Vladimirov, D. Guerin, J. Francis, M. Young, M. Berg, Doug Meissner, M. Spillane, J. Blumenschein, S. Obolensky, M. Fabiszak, C. Hendrix, and J. Klein. The team is captained by Henry Nunez, and is coached by Messrs. J. Pulley, G. Coen, and B. Hughes.

First Row (L to R) — K. Shanahan, Storino, Donahue, Wood, Vladimirov, Guerin, J. Francis, M. Young, M. Berg. Second Row — Mr. Coen (Coach), Doug Meissner, T. Berg, Spillane, Blumenschein, Nunez, Obolensky, Fabiszak, Hendrix, Klein, Mr. Hughes (Coach).

Cross Country

This year's cross country team was on the junior varsity level because of lack of experience. Most of the runners were either freshmen or sophomores except for senior Keith Retterer. The Middies ran against teams which outclassed them, but they had one decisive victory over Pingry, 18-41. Farragut, led by Coach Bernard Bialecki, also competed in the South Jersey Sophomore X-Country Championships. Among the runners, Neil Jones came in first for the Middies. With hopes of all men returning with experience, the '75 season will be better. Returning men next year will be Joe Dyas, Joe Wendroff, Rich Creange, Simon Goldenberg, Lev Wiener, Chris Spada, John Williams, and Doug Fisher.

(L to R) — Creange, Dyas, Jones, Goldenberg, Mobilia, Mr. Bialecki (Coach).

A WORD OF THANKS

I would like to express my heartfelt thanks to all my friends of the staff, faculty, and Corps of Cadets; too numerous to name, but who all have contributed in some way to make these last four years of my life. I will not soon forget the great things you have done for me. May you have calm seas always.

DESIDERATA

*Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. * Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. * Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. * Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. * Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. * You are a child of the universe, no less than the tree and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. * Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. * With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy. * **
